

Post-Primary Music Workshop

Creating Effective Teaching and Learning Resources to support Teaching and Learning in the Music Classroom

This workshop will:

- Engage teachers in developing their skills to develop resources using various multimedia sources
- Explore a variety of presentation, notation and ebook
- Examine ways in which resources that students can use in pairs or groups in the classroom and at home for revision can be created
- Investigate the possibilities of resource creation involving audio, audio editing, still graphics and moving graphics and interactive resources that use audio, video, and images within the one platform.
