

# PDST Music - Spring Series Workshops 2019

*Create! Store! Share!*

- Create a Padlet and explore its potential
- Store student work in one place
- Share access with students for home use/flipped classroom
- Design a Sound Wall gallery using QR codes
  - > For practical use in the classroom
  - > To present Music at open evenings
  - > To celebrate student work at parent meetings
  - > To promote our subject
- Link Musescore, Audacity, Padlet and QR codes  
This workshop will include demonstrations, hands-on tasks, use of technologies and resources for the classroom.

*Please bring your phones and laptops! It would be helpful, but not essential, if Audacity and Musescore were already installed and a Padlet account created in advance.*

For dates and venues point your iPhone camera at this QR code or download Quickmark QR code reading app (Android)

To register a place on this seminar, please log on to [www.pdst.ie/onlinebooking](http://www.pdst.ie/onlinebooking) and search for **music** in the key word section.
